New Identities to existing known dies.

B.E.Co	British Engine Boiler & Electrical Insurance Co. Ltd.
S.S	Stubbs Mercantile Offices, Glasgow.

Correction?

S&/Co I think there must be considerable doubt as to whether this die exists with the o of Co having 7 pins. I know of 3 copies of this perfin with a 6-pin o - all plate 15. Offhand I cannot recall any G.B. die with a 7-pin o in Co.
